Judgment

The petitioner is the widow of late Vinayakan. He was the owner of 6 cents of land in Survey No.127/6 of Eloor Village. An electric tower was installed in the said premises, causing damages to the property. The said Vinayakan approached this Court by filing OP No.11304/98 and this Court, by Ext.P2 Judgment, directed to take expeditious steps to finalise and disburse the amount of compensation payable to him. In the meantime, the said Vinayakan died and the petitioner has approached this Court, feeling aggrieved by the delay in disbursing the compensation payable by the KSEB. The learned Standing Counsel for the KSEB submitted that the petitioner's claim for compensation will be considered and settled within four months. This submission is recorded. In view of the inordinate delay in releasing the compensation, the respondents shall ensure that the same is paid within four months from today. The petitioner shall produce photo copies of this judgment before the respondents without delay.

The Writ Petition is disposed of as above.
